I will try to get an update on sidewalk vending before tomorrow, but have no new info right now since Council voted on instructing City Attorney to draft ordinance which is requested back in 60 days.

I can share the approval of the tree removal application

Will provide update on Manchester square

Also Vehicular Dwelling, Back to Basic Car plan, and anything else I can think of.

See you tomorrow

Would you like to come in at the beginning with a short Council Office presentation, then leave by 11 am? Manchester Square update would be good, 83rd to 84th tree removal, sidewalk vending, etc.

Hi Don,

Is there anything you all would like from me for this meeting or appreciate me attending? I see there is a legal counsel portion as well, let me know.

Thanks!
